

DEMOCRATS DENOUNCE REPUBLICAN FALLACIES

Campaign Book Severely Arraigns the Party of Greedy Trusts

Washington, D. C., Sept. 4.—The Democratic congressional campaign book which made its appearance today is a volume of 381 pages, the major portion of which devoted to the discussion of imperialism and trusts, 240 pages being given to these two topics. Upon the title page is the Democratic slogan, "Equal rights to all, special privileges to none." The volume opens with the platform of 1900 and the resolutions of the house at their conference June 19, arraigning the Republican party for failure to give relief to Cuba to enact proper anti-trust legislation. Then follows an extended criticism of the Republican book, many of the statements contained therein being challenged as to accuracy, especially those dealing with the trust question.

Imperialism.

Under the head of imperialism there is a long general review of the Philippine policy under the following heads:

Attempt to divert the issue, partisan censorship, war department investigation and that senate contrasted, war department policy of suppression, far-fetched investigations, were stopped it would prove too much, court martial trials a farce, cruelty, committed and encouraged, crimes of war and not of soldiers, American expansion vs. Roman imperialism, colonialism and trade, statistics against colonialism, keep American capital at home, the burdens of militarism, Philippine venture beginning of general policy of colonialism, our warlike president, Philippines a source of weakness, shall we spend people's taxes at home or in distant lands, a government for carpet baggers and spoliation, statehood for the Philippines.

Miles and the Army.

This review is succeeded by chapters on General Miles and the army, disgraceful record of the military authorities at both ends of the line in the Gardner case, the Smith court-martial, torture as a policy, review of evidence involving the war department and certain army officers in the Philippines in violation of the laws of war, the system, not the individual to blame; Democracy the remedy for barbarities, fundamental objections to the Philippine government act, slavery and polygamy under the protection of the flag, and vice and loathsome disease in the Philippines.

Tariff and Trusts.

The chapters on the tariff and trusts are crowded with statistics and figures, much attention being devoted to an attempt to show that protected trusts and manufacturers get the benefit of all the tariff in our markets and sell in foreign markets at greatly reduced prices. Facsimiles of export price lists are given and comparisons made with domestic prices of like articles. A number of big trusts are discussed in detail to show that they sell their products abroad much cheaper than at home and the whole question is summarized in a chapter on the "evils of protected trusts" which is subdivided as follows:

1. Political corruption.
2. Watered stock.
3. Concealment of export prices.
4. Juggled and manufactured statistics.

The record of the two parties on the trust question are contrasted. Reciprocity generally is denounced as a "humbug". The remainder of the volume is devoted to a variety of subjects, including government by injunction, the ship subsidy bill Chinese foreign affairs and the Schley case.

Beautiful Thoughts

The sweet, pure breath of the babe is suggestive of innocence and health.

A mother's yearning for children is inseparable from a love of the beautiful, and it behooves every woman to bring the sweetest and best influence to bear on the subject of her maternity.

To relieve pain and make easy that period when life is born again,

Mother's Friend

is popularly used. It is a liniment easily administered and for external use only. Pregnant women should try this remedy, it being undeniably a friend to her during nature's term of suspense and anticipation.

"Mother's Friend," if used throughout gestation, will soften the breasts, thereby preventing cracked and sore nipples. All muscles straining with the burden will relax, become supple and elastic from its continued application.

All fibres in the abdominal region will respond readily to the expanding cover containing the embryo if "Mother's Friend" is applied externally during pregnancy. Of all reliable druggists \$1.00 per bottle. Write for free book on "Motherhood."

SUPERSTITIONS.

To kill a ghost, it must be shot with a bullet made of a silver quarter dollar.

If you kill frogs your cows will "go dry."

Tickling a baby will cause the child to stutter.

To cut off a pup's tail causes him to grow "smart."

To throw hair combs out of the window is bad luck.

To thank a person for combing your hair will bring bad luck.

No person who touches a dead body will be haunted by its spirit.

Cut a dog's "dew claws," and it will not die from poisonous snake bite.

To dream of unbroken eggs signifies trouble to come; if the eggs are broken the trouble is past.

To cut a baby's finger nails will deform it; if the child is a month old it will cause it to have fits.

To dream of a live snake means enemies at large, of a dead snake, enemies dead or powerless.

Silver nails or screws in a coffin will prevent the dead haunting the scenes of its existence in the flesh.

If you boast of your good health, pound wood immediately with your fist, or you will become sick.

To allow a child to look into a mirror before it is a month old will cause it to have trouble in teething.

A child will have a nature and disposition similar to that of the person who first takes it out of doors.

To hear a screech-owl is bad luck. To prevent hearing their cry, turn the pockets inside out and set the shoes soles upward.

To see the new moon through clouds or treetops means trouble; if the disk is clear, good luck; if seen over the right shoulder, joy; if over the left, anger and disappointment.

Plant all seeds, make soap, and kill creatures for meat, on the increase of the moon. If done when the moon is on the decrease, the seeds will not grow, the soap will not lather, and the meat will shrink.—(Will Carleton's Magazine, Every Where, for September.)
